Fed up with a flaky internet connection? Tired of tedious downloads?

Better business broadband is cheaper than ever. And now, with our free connection voucher scheme, it's easy to get your business up to speed. We'll give you a grant – for up to £3000 worth of installation costs – to make sure your business has the best possible connection.

The free funding is open to almost any small or medium-sized business or charity based in and around Edinburgh, the Lothians and Fife. If you're a commercial landlord, your tenants can also benefit.

The scheme is funded by the government's SuperConnected Cities Initiative and administered locally by the City of Edinburgh Council.
