The Council's Finance and Resources Committee had decided to set aside the current sale process and look at producing a new brief for the site with community input. The intention was still to obtain a capital receipt, and constraints still existed regarding Powerleague and their lease, but it was hoped this could lead to a more satisfactory outcome all round. Action Westbank were meeting with Council Officers shortly to discuss next steps forward. The meeting congratulated Action Westbank and Local Councillors for their efforts to date.

362.9 Seafield

Seafield had been identified as a possible development site as part of the ongoing process of forming a new local development plan. It was noted that the area fell within the Craighentinn & Meadowbank CC area. Local Cllrs were meeting with the Planning Team and offered to raise the issue. It was agreed to pursue the matter further and discuss again at the next meeting.
